Special Instructions

Supervisor Rail Management Centre: to advise the Manager Special Events & Trains of any delay or operational issues relating to the working of **Run 799A** on mobile phone **No. 0418 677 823** when convenient.

Manager Train Crewing: to ensure an **Operations Inspector** is rostered to travel with and oversee the working of this special train charter, and ensure that any delay or issue in regard to the operation or performance of this train is communicated to the Manager Special Events & Trains on mobile phone **No. 0418 677 823** when convenient.

Project Manager Millennium Train Fleet: to provide a four (4) car Millennium set to operate on **Run 799A** as specified.

Station/Duty Managers: Redfern, Central, Olympic Park, Sydenham, Coal Cliff and Thirroul are to make appropriate announcements to inform the General Public that these trains are not in revenue service, and only passengers authorised by Historic Electric Traction are permitted to join or travel on these services.

Passengers authorised to travel on these services will be in possession of identification issued by Historic Electric Traction, therefore giving them authority to enter and depart CityRail stations at Redfern, Central and Thirroul stations only. Passengers of Historic Electric Traction will not be in possession of CityRail tickets and are to be permitted to enter and depart station premises via non electronic barrier gates, as all financial arrangements regarding the cost and operation of this special charter service will be dealt with via the State Rail Special Events & Trains Unit.

Historic Electric Traction Passengers are only authorised to:-

- Alight and rejoin this train for photographic purposes at Redfern, Olympic Park, Sydenham, Coal Cliff and Thirroul stations, with the exception of emergencies provided that the train is operating to the times scheduled in the timetable.
